### ~ RED GROUP: Anna

-This week at camp, our Red Hungry Hippos had an awesome time in the sun while being safe! We had fun splashing around in the pool and having an awesome time trying Archery! Between meeting the Archery Monster, riding ponies, and going down the water slide, we had a busy week!

**~ ORANGE GROUP: Travis**

-The Orange Group had an excellent week! We built a boat that helped Carl the duck swim. Between playing rounds of Gaga and searching the woods for each other, camp was full of laughs and hand cleaning!

**~YELLOW GROUP: Jennifer**

-The Yellow Banana Ninjas had a fabulous week! We climbed the Chicken Tree and visited the rock-climbing wall. We got to observe the comets and bullfrog at the Water Garden. We got a chance to see Koda the pony paint a beautiful original painting. Several of our campers shot arrows at a moving target in Archery. We played volleyball at the pool and even found a box turtle while exploring the forest trails.

**~ GREEN GROUP: Rob**

-Green Group (The Recyclables) had a great week! We got to practice some survival skills like knot tying and fire starting while doing some traditional camp activities like Archery and stalking. One of our favorite parts was getting to learn about and visit the animals in the new barnyard class!

~ BLUE GROUP: Rey

-The Blue Group had a great week! We did fort building that campers can use as future life skills. We also worked as a team to build healthy social skills while physically distancing. Our campers will take these great skills with them as they grow and mature!

~ PURPLE GROUP: Anne

-The Purple Group had an epic week of Camp Remix. Highlights include Level 5 tie-dyeing, the creation of a semi-pro Gaga League, and the training of future Olympic archers. We also enjoyed free swim and chilling out together. “(Great Kids + Great Counselors) x High Meadows = an excellent week of Camp.”
