HIGH MEADOWS SUMMER DAY CAMP APPLICATION FOR FINANCIAL ASSISTANCE

High Meadows Camp is able to offer a very limited number of camperships for qualified children through three programs. Award candidates must provide information to show their need and interest for receipt of free or reduced camp tuition (see details at the bottom of the page). Fund recipients are expected to comply with all standard policies and procedures of the camp program, including paperwork deadlines and attendance expectations. All applications are considered by a committee and awards are made through its recommendation by April 15th or until funds are depleted. We regret that we cannot meet the needs of everyone who applies.

The Jack Gilliom Campership Fund:

This fund was established by the family and friends of Jack Gilliom (1973-1999), a former camper and counselor. High Meadows was a very important part of Jack's life, and through this campership he shares it with a new generation of campers. It is awarded to campers of Hispanic background, with the intent of renewing their campership every year as long as they are campers or CITs.

The June Hinerfeld Restler Campership Fund:

This fund was established by the children and grandchildren of June (1941-2017). June was a lifelong artist who began her career as an elementary public school teacher in Spanish Harlem New York during the early 1960s, establishing her interest in educating, caring for and supporting children of diverse backgrounds. Upon moving to Roswell in the early 1970s, her sons (and eventually her granddaughters) attended High Meadows Camp. June would be honored to know that a child who may not otherwise be able to attend High Meadows will have the opportunity to learn, develop, grow and make lifelong memories through this fund.

The High Meadows Campership Fund:

This program is funded by contributions made by members of the High Meadows community and other philanthropic sources. Awards are based on a number of factors, including, but not limited to, financial need, relationship to High Meadows, and potential benefit to campers.
