# GRASSHOPPERS GAZETTE

## WEEK RECAP: RICHARD

Grasshopper had an amazing first week of second session! Campers hopped right into the week by meeting new friends and getting to know their counselors. In Arts & Crafts, they created clay sculptures, and throughout the week they learned all about the camp creatures at Traditions. At the Barnyard, campers even had the chance to paint a pony: Tinkerbell. They also showed off their creativity by dressing up in wacky tacky attire. We can't wait to hop into week two!

## JUNIORS JOURNAL

## WEEK RECAP: KAYLA & LIV

Juniors had a sensational first week at camp! Campers got creative in Arts & Crafts by making clay sea creatures and put their engineering skills to work in Discovery by designing and building tinfoil boats. We also had the chance to meet some friendly barn animals, cool off and have fun in the pool, and stay active with games of kickball and Gaga Ball. Throughout the week, campers learned about the special traditions that make camp so unique. We wrapped up the week with our Wacky Tacky Day, where everyone showed off their silliest and most colorful outfits! We can't wait to see what next week brings!

## COMING UP:

Please send in a plain white t-shirt with your camper next week, as we will begin tie-dying shirts the following Monday (7/6).

# SUPER SENIORS SNAPSHOT

## WEEK RECAP: STEVEN & JEN

Super Seniors had a stellar week! Campers began perfecting their sawing, hammering, and nailing skills as they started their woodworking projects this session. At the archery range, campers practiced their stances as they prepare the tournament. During Discovery class, they played some team-building games and in Nature class, they played the bird game and had a scavenger hunt. In Sports, campers played several games with their counselors, including Zebratonicus Tag, Ultimate Football, 3-Ball Soccer and Capture the Flag. At the end of the week we had a wild Wacky Tacky Day, wearing our craziest, most outrageous mismatched clothing to camp! Finally, on free swim Friday, campers and counselors got the opportunity to swim together in the pool. What a week!

## SENIOR QUEST QUIPS

### WEEK RECAP: MORGAN

Senior Quest's first week of second session was akin to a triumphant rock opera. We made our schedules from a wide selection of incredible classes. Our campers built community with each other as we played Multi-Ball soccer, Bomber Ball, Multi-Disc Frisbee, and Capture the Flag as we finished the week with a spectacular livestock where our campers participated in a lip sync battle for the ages. We can't wait to come back for week 2!

# SENIOR LEGEND LATEST

## WEEK RECAP: TYLER

Senior Legend had an adventurous first week of the session. Campers had the opportunity to select their own classes during our "Running of the Bulls". Throughout the week, we played Multi-Ball Soccer, Multi-Disc Frisbee, and Bomber Ball at Senior Activity. We have two campers that began casting and rehearsals for their Knight plays. Campers have shown determination to get their requirements and have really hit the ground running. We ended our week with a fun first livestock, with many fun acts to watch. We can't wait for all of the fun activities planned for next week.

# CIT CORNER

## WEEK RECAP: REY, DEE, & TINA

The new group of CITs had a wonderful first week of the session. We spent time throughout the week making new connections and challenging ourselves with new skills as we settled into our roles before heading out to the Units to kick off this year's training while building connections with campers. Along the way, we started developing the skills needed to grow as leaders and teammates. At every corner of our beautiful campus, CITs have been doing amazing things and continuing to grow through each experience. We look forward to a jam-packed week two and the new challenges and adventures ahead!

## INTRODUCING: 2026 CAMP SHIRT

Our 2026 camp shirt uses our traditional iconography of the High Meadows Hawk holding the sword, Excalibur. This design invokes the idea of a camper's colorful painting of this classic HMC symbol. Our color selection is reminiscent of those on our Social Ball pole but with a retro feel given by the crisp sand color of the shirt.

# NURSE'S NOOK

Remember to  
bring your  
water bottles!

## CAMP SONG OF THE WEEK: **MRS. MURPHY'S CHOWDER!**

Won't you bring back, won't you bring  
back, Mrs. Murphy's chowder?  
It was tuneful, every spoonful,  
Made you yodel louder!  
After dinner Uncle Ben,  
Used to fill his fountain pen,  
From a bowl of Mrs. Murphy's chowder!

VALUE OF THE WEEK:

# RESPECT

During the first week of Session 2, campers learned about respect. High Meadows campers show respect in several ways, including:

- Respect for others through positive interactions.
- Respect for ourselves by caring for our physical well-being.
- Respect for nature through our commitment to protecting the environment.
- Respect for our history by honoring our community traditions.
