We had a great second session at camp with you. If you are not returning for another session with us, we hope you enjoyed High Meadows & come back for more fun next year. If you are joining us for third session this summer... stay tuned for more fun and "happenings."

Please let us know how you and your child enjoyed camp and what we can do better! Complete an online survey at: <https://adobeformscentral.com/?f=Fd4gt%2A4MNaZ3awA-yDHddw>

- **Last chance Lost-N-Found.** We won't hold on to it much longer! Claim your items at the Community Center under the porch or they will be donated to a local charity.
- **Medieval Day** was a great way to end an awesome session!

- **Place Highlight: CAMELOT** is the home-base of Senior Quest. One of the newest features of High Meadows camp is the Camelot Cairn, a special pile of stones located in the center of Camelot. The Cairn symbolizes many important values and traditions of High Meadows. One such value is recycling, because the Cairn is made from the stones from the old water well. Two others are honor and community. Questers begin and end the day by putting their castle shields on the Cairn.

- **People Highlight: High Meadows: The Next Generation.** Since its founding in 1973, High Meadows Camp has continued to make a positive impact on the lives of thousands of campers. Within the past few years, many of these former campers have begun to send their children to High Meadows Camp. We have 1 Ant, 3 Grasshoppers, 6 Juniors, 5 Super Seniors, 5 Senior Questors, 2 Senior Legends and 1 Counselor-in-Training this summer who have least one parent that was once a High Meadows camper.
- This week our featured camp value was **Responsibility**. We hope that you take the time to discuss this and the other previously-highlighted values of the week with your camper.
- High Meadows campers understand and appreciate their responsibility to the environment, to their community and to others. High Meadows campers practice personal responsibility and feel ownership of their actions and achievements at camp.
