- Today was **Water Carnival Day**, a wet and wonderful way to end our second session!

- **Creature Highlight: The Archery Monster.** Ever since the beginning of camp in 1973 there have been reports of this not-too-scary "monster". Not much is known about the actual appearance of this creature, but its habits and territory have been well-documented. It lives in the woods near the archery ranges. Its primary food source is arrows. It is said that when campers shoot arrows and cannot find them, the Archery Monster must have quickly gotten these arrows and brought them back to its lair, deep in the woods.

- **New Animal Highlight: *STORM*** is the newest member of the High Meadows barnyard family! She is a one-and-a-half-year-old mini pig from Bogart, GA. She is part of a foster to adopt program due to the rescue closing. She has joined Hamilton and Boo in the pig pen and is acclimating well to her new surroundings!

## • This week's value was **EXPLORATION!**

High Meadows Camp encourages curiosity and inquiry as well as creativity and imagination. High Meadows campers have the confidence to try new things and the skills to problem solve.

High Meadows campers encourage their peers and appreciate those who do things differently.

Questions for parents to ask their campers:

- ~ What does exploration mean to you?
- ~ What did you explore at camp this week?
- ~ What new experiences did you have at camp this week?
- ~ How did it feel to try something new?

Don't forget to "like" High Meadows Camp on Facebook, and "follow" us on Instagram @highmeadowscamp to keep up with the latest announcements and camp news.

• Super Seniors had a fabulous third week of camp! We put the finishing touches on our woodworking projects, made chia pets, and visited the Grandfather Tree. To cap it all off, for the 50<sup>th</sup> summer of camp, we performed "50 Ways to Love High Meadows" (a parody of Paul Simon's "50 Ways to Leave Your Lover") at Livestock!

- Our Unit Choice for this past Wednesday 7/6 was Camo Day!

- For both Quest and Legend, the Unit Choice for this past Wednesday 7/6 was PRAWN (Pirates, Robots, Aliens, Wizards, Ninjas) Day!
- Quest had a great time at the Lake Allatoona beach on Tuesday. We built sandcastles and cooled off in the water on a hot day!
- Quest also had an amazing late night on Wednesday. After a game of capture the flag, we took a dip in the pool, ate a nice burger bar dinner, and finished the night with s'mores around the campfire.

- Legend had an extraordinary final week of camp. Many memories were made, greasy watermelon was played, and the campers finished up their knighthood requirements. It was a bittersweet end to an incredible session!

### **CIT Corner ~ Rey and Danielle**

- CITs had a very busy week. After staying late to help with the Senior Quest late night, we had nine second-year CITs finish the program and present their reflections. Three of the graduating CITs will be working as counselors third session!
